### **3. EVALUATION LICENSE**

3.1 In consideration of the mutual rights and obligations set out in the License, the Licensor grants the Licensee the right to use the Software (other than the Beerware, to which this clause 3 does not apply) for a period of 14 days from the date on which the Software is downloaded by or on behalf of the Licensee ("**Evaluation Period**") for the purpose of evaluating whether or not the Software meets the Licensee's requirements.

### **5. LICENSE**

5.1 In consideration of the mutual rights and obligations under the License, and subject to (a) the payment of the License Fees by the Licensee to the Licensor (other than in relation to the Beerware), (b) clauses 6.2, 6.4, 6.5 and 11 in relation to the SDK (where licensed), the Licensor grants to the Licensee for the term of this License a limited, personal, non-exclusive, non-sub-licensable and non-transferable License:

5.1.1 subject to clauses 5.3 to 5.5, to use and copy the Software for use on a single computer owned, leased and/or controlled by the Licensee or its employer or organization for whom the Licensee has installed the Software for internal use;

5.1.2 subject to clause 5.4, to make one copy of the Software in machine readable form for normal operational security and back-up purposes provided that such copy is not installed on any computer at any time when the original copy of the Software and/ or SDK supplied to the Licensee is installed upon any other computer. The License will apply to such copy as it applies to the original copy of the Software installed by the Licensee. Such copy and the media on which it is stored will be the property of the Licensor and the Licensee shall ensure that such copy bears the Licensor's proprietary notice; and

5.1.3 where the Software licensed is Per Computer Software:

5.1.3.1 to use and copy the Server Component on a single computer owned, leased and/or controlled by the Licensee or its employer or organization for whom the Licensee has installed the Software for internal use; and

## **6. SQL COMPARISON SDK**

6.1 Where the Licensee has elected to take a License of the SQL Comparison SDK, this clause 6 shall apply in relation to the SQL Comparison SDK.

6.2 Subject to clauses 6.4, 6.5 and 11, the Licensee may use or incorporate up to ten (10) copies of any set of the files which comprise the SQL Comparison SDK and which are listed in Schedule 4 (the "**Licensed Materials**") into up to 10 future products for onward distribution or internal use (the "**Licensed Products**") on License terms substantially similar to those contained in the License.

6.3 If the Licensee uses and/or distributes any of the Licensed Materials in accordance with clauses 6.2, 6.4, 6.5 and 11, the Licensee agrees to comply with the following provisions:

6.3.1 the Licensee will distribute such files solely as part of a specific-purpose application program written using an authorized copy of the SQL Comparison SDK;

6.3.4 the Licensee will indemnify and keep indemnified and hold the Licensor harmless from and against all costs (including the costs of enforcement and reasonable legal costs), expenses, liabilities, injuries, direct, indirect or consequential loss, pure economic loss, loss of profits, loss of business, loss of employment, or depletion of goodwill and like loss arising out of the use, reproduction or distribution of Licensed Products incorporating Licensed Materials;

6.3.5 the Licensee will ensure that all its third party licensees of the Licensed Products comply with the terms of the License; and

6.3.6 the Licensee will not use the Licensed Materials, SQL Comparison SDK or the Software to manufacture or distribute a product that is substantially similar to or competitive with Licensor's Software and/or SQL Comparison SDK.

If the Licensee wishes to distribute eleven (11) or more copies of the SQL Comparison SDK or any part thereof in Licensed Products, then the Licensee must apply in writing to the Licensor, at the Licensor's registered office, requesting a full commercial License which will be subject to the payment of royalties as agreed between the parties.

## **7. CONFIDENTIALITY**

7.1 The structure, organisation and source code of the Software and the SQL Comparison SDK are the valuable trade secrets and proprietary confidential information of the Licensor and its licensors. The Licensee agrees not to provide or disclose any confidential information in the

Software or derived from it to any third party, including where such confidential information is derived under any applicable law as set out in clause 5.2.

7.2 The provisions of clause 7.1 will not apply to the extent that:

7.2.1 such information is in the possession of the Licensee free from any restriction as to its use or disclosure having been obtained otherwise than from the Licensor for the purposes of the License; or

7.2.2 the Licensee can demonstrate that such information is in the public domain (other than as a result of an unauthorised disclosure); or

7.2.3 such information is required to be disclosed by the Licensee pursuant to a statutory or regulatory obligation or court order.

7.3 No information to which clause 7.2 applies shall be disclosed to a third party unless and until the Licensee has:

7.3.1 given, where practicable, five (5) Business Days, written notice to the Licensor of such proposed disclosure;

7.3.2 consulted with the Licensor; and

7.3.3 agreed with the Licensor the content of the disclosure,

provided that the Licensor shall not limit the disclosure in a manner which would prevent the Licensee from complying with a statutory or regulatory obligation or court order.

## **8. NO WARRANTY**

The Software is provided "AS IS" with no representation, guarantee or warranty of any kind as to its functionality, quality, performance, suitability or fitness for purpose. All other terms, conditions, representations and warranties expressed or implied whether by statute or otherwise are hereby expressly excluded.

## **9. LIMITATION AND EXCLUSION OF LIABILITY**

9.1 The Licensor does not exclude its liability (if any) to the Licensee:

9.1.1 for personal injury or death resulting from the Licensor's negligence;

9.1.2 for fraud; or

9.1.3 for any other matter for which liability cannot be excluded by law.

9.2 THE LICENSOR MAKES NO EXPRESS WARRANTIES WITH RESPECT TO THE SOFTWARE AND THE LICENSOR HEREBY EXCLUDES TO THE FULLEST EXTENT PERMISSIBLE IN LAW, ALL TERMS, CONDITIONS, WARRANTIES AND REPRESENTATIONS (INCLUDING WITHOUT LIMITATION ANY WARRANTY THAT THE SOFTWARE WILL MEET THE LICENSEE'S REQUIREMENTS OR THAT ITS OPERATION

WILL BE UNINTERRUPTED OR ERROR FREE) AND STIPULATIONS, EXPRESS (OTHER THAN THOSE SET OUT IN THE LICENSE) OR IMPLIED, STATUTORY, CUSTOMARY OR OTHERWISE WHICH, BUT FOR SUCH EXCLUSION, WOULD OR MIGHT SUBSIST IN FAVOUR OF THE LICENSEE. EXCEPT AS SET OUT IN THE LICENSE, THE LICENSEE ASSUMES THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE AND SHOULD THE SOFTWARE PROVE DEFECTIVE, THE LICENSEE SOLELY ASSUMES THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION.

9.3 SUBJECT TO CLAUSE 9.1, THE LICENSOR SHALL NOT BE LIABLE TO THE LICENSEE FOR ANY OF THE FOLLOWING TYPES OF LOSS OR DAMAGE ARISING UNDER OR IN RELATION TO THE LICENSE (WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, RESTITUTION OR OTHERWISE):-

9.3.1 ANY LOSS OF PROFITS, BUSINESS, CONTRACTS, ANTICIPATED SAVINGS, GOODWILL, OR REVENUE; OR

9.3.2 ANY LOSS, OR CORRUPTION, OF SOFTWARE OR DATA; OR

9.3.3 ANY LOSS OF USE OF HARDWARE, SOFTWARE OR DATA; OR

9.3.4 ANY INDIRECT, SPECIAL OR CONSEQUENTIAL LOSS OR DAMAGE WHATSOEVER,

EVEN IF THE LICENSOR HAS BEEN ADVISED IN ADVANCE OF THE POSSIBILITY OF SUCH LOSS OR DAMAGE.

9.4 SUBJECT TO CLAUSES 9.1 AND 9.3, THE LICENSOR'S AGGREGATE LIABILITY UNDER THE LICENSE (WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE), BREACH OF STATUTORY DUTY, RESTITUTION OR OTHERWISE) SHALL BE LIMITED IN ALL CASES TO THE PRICE PAID FOR THE SOFTWARE.

9.5 The Licensee acknowledges that the above provisions of these clauses 8 and 9 are reasonable and reflected in the price which would be higher without those provisions, and the Licensee will accept such risk. In the event that any of the limitations or exemptions in the License shall be found to be void, clauses 8 and 9 shall be construed in accordance with clause 15.

## **10. TERM AND TERMINATION**

10.1 The License shall commence upon the Licensee's acceptance of its terms by the downloading, installation or use of the Software or the clicking of the "I Accept" button, and shall continue until terminated in accordance with clauses 10.2 or 10.3, or otherwise in accordance with the License.

10.2 The License will terminate automatically if the Licensee uninstalls the Software, fails to comply with any provision of the License, or uninstalls and destroys or voluntarily returns the Software to the Licensor.

10.3 The Licensor may terminate the License immediately and without notice if it reasonably suspects that the Licensee is using the Software for any purpose which

contravenes the laws of England and Wales.

10.4 Upon termination of the License for any reason whatsoever, the Licensee must uninstall the Software and destroy all copies of the Software including all components of it in the Licensee's power, possession or control.

10.5 The termination of the License howsoever arising shall not affect the rights, duties and liabilities of either party accrued prior to termination.

10.6 On termination of the License, the provisions of clause 1 (Definitions), 2 (Interpretation), 4 (Ownership of Intellectual Property Rights), clause 6.4, clause 7 (Confidentiality), clause 8 (Warranty), clause 9 (Limitation and Exclusion of Liability), clause 10 (Term and Termination), clause 11 (Audit), clause 12 (Licensee Indemnity) and clauses 13 to 20 will remain in effect.

## **11. AUDIT**

11.1 The Licensee agrees that the Licensor shall have the right (where Licensor reasonably suspects that the terms of clause 5 have not been complied with) upon reasonable notice to enter the Licensee's premises to audit any computer system or electronic media onto which the Software, SQL Comparison SDK, Licensed Materials or any adaptation, modification or copy of the Software, SQL Comparison SDK or Licensed Materials has been installed in order to verify compliance with the License, provided that prior to exercising such right to audit the Licensor shall if required by the Licensee enter into an appropriate and reasonable confidentiality agreement.

11.2 Where the Licensor reasonably concludes that additional License Fees are due from the Licensee under the License, the Licensee shall pay such License Fees to the Licensor within thirty (30) days of receipt of written notice from the Licensor demanding such additional License Fees.

11.3 Where the Licensor reasonably concludes that the Licensee is otherwise in breach of the License, the Licensor shall provide the Licensee with written notice of such breach and either details of any remedial action required by the Licensee or termination of the License by the Licensor.

11.4 Where the SQL Comparison SDK is licensed to the Licensee, the Licensor shall also have the right to audit through independent certified public accountants all records and accounts of the Licensee which contain information bearing upon the amount of Licensed Products licensed, sold or distributed by the Licensee. The Licensor shall ensure that such independent accountants are bound by confidentiality undertakings at least as onerous as those set out in clause 7 of the License. To the extent an examination and audit reveals more than ten (10) copies of Licensed Products incorporating Licensed Materials having been made, distributed, sold or licensed, an appropriate payment shall be made promptly by the Licensee to the Licensor to reflect an amount of royalties agreed by the parties in relation to such Licensed Products, otherwise the Licensor may terminate the License in accordance with clause 10.2. The costs of any such examination or audit shall be borne equally by the Licensor and the Licensee.

## **12. LICENSEE INDEMNITY FOR MISUSE**

If a third party claims that the Software licensed under the License to the Licensee, as a result of the Licensee's misuse of the Software causes loss or damage whether in contract, tort (including negligence), breach of statutory duty, restitution or otherwise, then the Licensee shall indemnify the Licensor from any such loss or damage.

### **13. GOVERNING LAW AND JURISDICTION**

13.1 The License (and any dispute or claim relating to it, or its formation, existence, construction, performance, validity or termination) will be governed by and construed in accordance with the laws of England and Wales.

13.2 Subject to clause 13.3, the courts of England and Wales will have exclusive jurisdiction to settle any disputes which may arise out of or in connection with the License. The parties irrevocably agree to submit to that jurisdiction.

13.3 The agreement contained in clause 13.2 above is included for the benefit of the Licensor. Accordingly the Licensor retains the right to bring proceedings in any other court of competent jurisdiction. The Licensee irrevocably waives any objection to, and agrees to submit to, the jurisdiction of such other courts.

13.4 The Licensee irrevocably agrees that a judgment or order of any court referred to in this clause is conclusive and binding upon it and may be enforced against it in the courts of any other jurisdiction.

### **14. COMPLIANCE WITH APPLICABLE LAW**

The Licensee acknowledges and agrees that notwithstanding the fact that the License is governed by the laws of England and Wales, the Licensee may be subject to additional laws in other jurisdictions with respect to the Licensee's use of the Software. The Licensee will comply with the laws of any jurisdiction that apply to the Software including without limitation any applicable export laws or regulations.

### **15. SEVERABILITY**

If any clause or part of the License is found by any court, body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from the License and will be ineffective without, as far as is possible, modifying any other clause or part of the License and this will not affect any other provisions of the License which will remain in full force and effect.

### **16. NO WAIVER**

No failure or delay by any party to exercise any right, power or remedy will operate as a waiver of it nor will any partial exercise preclude any further exercise of the same, or of some other right, power or remedy.

### **17. NO THIRD PARTY RIGHTS**

The parties to the License do not intend that any of its terms will be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person not a party to it and all rights by virtue of the Contracts (Rights of Third Parties) Act 1999 are hereby excluded.

## **18. ENTIRE AGREEMENT**

The License contains all the terms which the parties have agreed in relation to the subject matter of the License and supersedes any prior written or oral agreements, representations (save for any fraudulent misrepresentation, fraud or concealment) or understandings between the parties in relation to such subject matter.

## **19. REVISIONS TO TERMS**

The Licensor reserves the right to revise the terms of the License by updating the License on its website, or by notifying the Licensee by post or by email. The Licensee is advised to check the License periodically for notices concerning revisions. The Licensee's continued use of the Software shall be deemed to constitute acceptance of any revised terms.

## **20. NO ASSIGNMENT**

20.1 The Licensee may not assign the benefit or delegate the burden of the License or hold the License on trust for any other person, provided that:

20.1.1 the Licensee shall, in relation to Per Computer Software, be entitled to assign or transfer the benefit of the License once to another single computer owned, leased and/or controlled by the Licensee or its employer or organization for whom the Licensee has installed the Software for internal use. Any second or subsequent assignment or transfer of the benefit of the License of Per Computer Software shall require the prior consent of the Licensor, not to be unreasonably withheld; and

20.1.2 where the Software is Per Computer Software which includes a Client Component, the Licensee may use and install such Client Component on more than one computer.
